

# real school MEMBERSHIP

Teaching today is a tough job – your Teachers and your School Leaders deserve the best help available.

real  
schools

Australian schools are great – but the task of sustaining the effort and thinking required to stay at the top comes with a price – the culture of your school, the stress levels of your people, the wellbeing of your students. A Real Schools Membership will provide you with all of the tools, tricks and motivation to keep your school healthy and ready for the next challenge.

## SO WHAT DOES A REAL SCHOOLS MEMBERSHIP GET YOU?

- Fully reproducible rights to one of Adam's monthly School Culture Leadership Articles for your Leadership Team on how build and maintain successful school conditions?
- Fully reproducible rights to Adam's monthly teacher articles that address the real issues in Behaviour Management and improving teacher practice.
- A free copy of the "Real School Cultures Manual" – a game-changing e-book designed to kickstart your school improvement journey.
- A monthly video link addressing the real issues in Behaviour Management that you can use to stimulate discussion at a staff meeting about what really matters in schools.
- Our monthly Real Schools Newsletter about the latest PD available for your school.
- 10% discount on any face-to-face Professional Development partnership.
- A set of Real Schools wristbands to motivate for your School Community.
- Connection to other Government, Independent, Catholic, Primary & Secondary Real Schools who share your passion for building stronger and more relationship focused Australian Schools.
